**ClosetMaid® Unveils New Stylish Hooks and Hook Mounts for its
MasterSuite™ Closet System**

Latest additions increase storage and organizational capabilities

Ocala, Fla. — July 12, 2018 — ClosetMaid LLC (ClosetMaid), a wholly owned subsidiary of Griffon Corporation (NYSE:GFF), announced enhancements to its luxurious MasterSuite™ system of closet organization and storage with a series of multi-function hooks and mounts.

The new line of easy-to-install accessories allows for addition of convenient storage and organization options and further customization of the system.

The collection features hooks designed for coats, belts and ties, in addition to a double hook for accessories, and a waterfall hook for hanging outfitting ensembles. For kitchens or pantry spaces, the line also includes a broom holder to organize cleaning tools and keep them off the floor.

Made from durable, cast metal, the accessories are available in matte aluminum and oil-rubbed bronze finishes, in keeping with current design trends. Hooks can be installed directly onto the system, or using hook mounts which come in 3 lengths (12", 18" and 24"). Hook Mounts are available in all MasterSuite finishes, Classic and 27th Ave., and have pre-drilled holes to fit 2-4 hooks.

With these hooks, the MasterSuite system has expanded to allow for additional custom, organizational options in designated storage areas like closets, pantries, laundry rooms, entryways, and mudrooms.

ClosetMaid MasterSuite meets the demanding needs of any residential or commercial application where maximizing storage space may be essential. The overall system can be floor-mounted or wall-mounted for superior installation and helps to promote healthier indoor air quality with its TSCA Title VI Compliance.
