Metal Sales Manufacturing Corporation Announces Sioux Falls Location

New Location Will Support Customer and Region Growth

LOUISVILLE, KY... Metal Sales Manufacturing Corporation, the premier nationwide provider of metal panels for the building and construction industry, will open a facility in Sioux Falls, SD.

“The people of Sioux Falls and South Dakota are certainly pleased to have Metal Sales Manufacturing Corporation join our team,” said Mike Huether, Mayor of Sioux Falls. “I am very confident that they will quickly learn why folks are able to build strong and vibrant businesses and families in our town. This will be a great partnership.”

The Sioux Falls location will serve Metal Sales' customers with the company's industry-leading metal roof and wall panel product offering. The facility will provide local customer service and support, broad product availability, accelerated lead times and responsive manufacturing and delivery capabilities.

“Metal Sales has a 50 year heritage of serving the needs of our customers as a family-owned business with a strong local presence,” said Craig Mackin, Chairman of Metal Sales. “My family is committed to helping our customers grow their businesses, and our Sioux Falls location will allow us to continue delivering the highest quality products and best customer service in the industry.”

Metal Sales ships metal roof and wall panels, trim components and accessories throughout the world from its 20 manufacturing locations. The Sioux Falls branch will be Metal Sales' 21st location and will open summer of 2012.

About Metal Sales Manufacturing Corporation: Metal Sales Manufacturing Corporation is the premier nationwide provider of metal panels for the building and construction industry. Headquartered in Louisville, KY and operating 21 facilities throughout the U.S., Metal Sales produces roof, wall and fascia metal panels for architectural, commercial, industrial, agricultural and residential building projects.
